

# CAMPAIGN FOR A VETERANS MEDAL

## *Petition to Her Majesty's Government*

We, the veterans of the Armed Services and our supporters, wish to submit a petition to Her Majesty's Government for the award of a medal to all veterans in recognition of their service to the Crown and the Country.

We would wish to see legislation in place enabling the medal to be part of the events marking the Bicentenary of the Battle of Waterloo in 2015.

It has been felt by many veterans that no formal recognition of service has been made to the many sailors, soldiers and airmen who have served in times of peace for the safety of the Nation.
